- . Nominated by the Chair department for the “**Kramer Award for Excellence**” through the American Academy of Periodontology (May 2004) and was included on the list of nominees for the Kramer Scholarship for Excellence.
- **Passing the Written Exam** of the American Academy of Periodontology. (November 2005) and being Board Eligible to be a Diplomat.
- **Passing the Oral Exam** of the American Academy of Periodontology / and being awarded as Diplomat-Board Certified (2006)
- Position of “**Assistant Professor**” at the Post-doctoral Clinic at the Periodontology Department at the Lebanese University (2004-present).
- Responsible of the **Periodontics course** at the Dental College, Lebanon- 2006-2012
- Appointed as a **Visiting Assistant Professor** at the University of Alabama at Birmingham-Periodontology department. (2008- present)
- Appointed as a **lecturer** at the German Association of Implant Dentistry (2008)
- Lecturer and consultant for Implant companies (Biohorizons USA, Ritter USA and Straumann)
- Received the **first prize award** in the Clinical Science Categories at the Biohorizons global symposium /Miami (May 2017) for the study entitled: “Clinical & patient-centered outcomes following treatment of multiple gingival recessions using acellular dermal matrix”
- Published ”Pedicle Connective tissue graft with novel palatal Tunneling ” Clin Adv Periodontics 2013;3:191-198 to be ranked 1 in terms of most read, search and downloaded in 2013

8. RESEARCH ACTIVITY

- Literature review (Data Collection) on **Implant-Diabetes/ Implant-Bruksim**, University Free of Brussels (1999)
- Poster presentation on the Dental Emergencies (2000, Belgium)
- Poster presentation on **Procera bridge work** with Dr. Hermans (2000, Belgium)
- Poster Presentation at the **Federation of Special Care Organizations** in Dentistry on March 31, 2001 in Chicago, IL.
- Poster Presentation at the **Southern Academy of Periodontology** on “Clinical and radiographic evaluation of the papilla level adjacent to the single-tooth dental implant: A retrospective study in the maxillary anterior region” on June 16-19, 2002, Sandestin, Florida.
- *Awarded* a one-year **Research Fellowship** position in the department of Periodontology beginning on July 1, 2003.
- **Examiner and Therapist** on a multicenter study in conjunction with University of North Carolina at Chapel Hill and San Antonio at Texas on Research project: “Periodontal disease & Pre-term low birth (2003-2004).
- **Examiner and Therapist** on a study at University of Alabama at Birmingham: “Guided bone regeneration using mineralized freeze-dried bone allograft and Gortex resorbable membrane”.
- Research project and my **masters’ thesis**: Title “The efficacy of micronized acellular dermal graft for the use in interproximal papillae regeneration”. Mentor: Dr. Michael Reddy. Defended in the fall 2004.

- Accepted for publication at the International Journal of Periodontics and Restorative Dentistry (February 2012 issue).
- 2 papers published in Clinical Advances In Periodontics (CAP) March 2013
- Majzoub ZAK*, Romanos A, Cordioli GP. **Crown lengthening procedures: a literature review.** *Seminars in Orthodontics. In Press* doi:10.1053/j.sodo.2014.06.008
- Paper accepted for publications at the International Journal of Periodontics and Restorative Dentistry (2017).
- Working on 2 projects with Dr. Zeina Majzoub for the Doctorate (work in progress)

9. WORK EXPERIENCE

- **Night Audit** Hotel during my dental school (1995-1999) three night a week at Manos Hotel, Brussels; Belgium.
- **Volunteer** twice a year for experimental research at the medical school at Free University of Brussels, Belgium. (1994-1999)
- **General Dentist** (part-time, night and week-end) from July 1999 to May 2000 at Dr. Samir Jandri office's and Dr. Marc Hermans's office in Brussels, Belgium.
- **Assistant** at the Continuing Education Department in the week-end at University of Alabama at Birmingham. (2001-2003)
- **Research fellow** at the department of Periodontology at University of Alabama at Birmingham. (2003-2004)
- **Therapist & Examiner** on a multicenter study in conjunction with University of North Carolina at Chapel Hill and San Antonio at Texas on Research project: "Periodontal disease & Pre-term low birth". (2003-2004)
- **Working in my Private Practice** in Antelias & Down town Beirut (Lounge Dental clinic)

11. HOBBIES AND EXTRA COMMUNITIES' ACTIVITIES

Hobbies:

- Basketball (point guard for the team of the Free University of Brussels)
- Soccer
- American Football
- Tennis
- Skiing/Water skiing
- Music
- Movies
- Traveling
- Politics
- Member of the "Birmingham Museum of Art"

Extracommunity activities:

- Volunteer for one night a month for the **Red Cross** (1992-2000)
- Volunteer treating **political refugees** (once a month) at Brussels, Belgium.
- Volunteer for one night a month for hosting **homeless** people (2001-2003)
- **Medical Mission** with a local Church, trip to Honduras (summer 2001 & 2004)
- Help as General practitioner for a Week-end “**Give the Kids a Smile**” at University of Alabama at Birmingham (2001-2004)
- We offer free treatment at lounge clinic for associations such as: caritas, sesobel, mission de vie

12. **SEMINARS GIVEN NATIONALLY AND INTERNATIONALLY**

- 1) Cairo, Egypt (2005)
2nd Arab-African International Dental Congress
“Ridge Augmentation using the Ramus Buccal Shelf Block Graft”
- 2) Egypt (February 2006)
“Soft tissue management in the esthetic zone”
- 3) Beirut, Lebanon (March 2005)
1er Congrès de la Société Libanaise de Chirurgie Buccale
« Augmentation de la crete osseuse utilisant la partie buccale du ramus comme un block »
- 4) Kuwait (2006)
Implant Dentistry Course (2 Full days at the dental school in Kuwait City)
- 5) Beirut, Lebanon (March 9 2006)
Lebanese Periodontal Society
“Alloderm: An Effective Alternative to Palatal Connective Tissue for Soft Tissue Grafting Procedures and Papilla regeneration”
- 6) ICD (International Collegue of Dentistry) (March 30 2006)
“Periodontal treatment and Esthetic Dentistry”
- 7) Syria (March 2006)
“Smile guided Surgery”
- 8) Beirut, Lebanon (September 1 2005)
Beirut International Dental Meeting
“Implant Complications in the Esthetic Zone: The papillae dilemma”
- 9) How to integrate Implant Dentistry in your daily practice?
 1. Pharmacol, Beirut-Lebanon
- 10) Beirut, Lebanon (October 27 2006)
LDA
“Soft Tissue Management for Anterior Esthetics”

- 11) Beirut, Lebanon (August 2007)
LDA
“Bone graft: When to do what?”
- 12) Beirut, Lebanon (August 2007)
LDA
“Using acellular dermal graft in the esthetic zone”
- 13) Syria (September 2007)
“Smile Dynamics”
- 14) Damascus, Syria (March 2008)
“Achieving Optimal Esthetics in Challenging Cases”
- 15) Tyre, Lebanon
“Implant Dentistry: Surgical & Prosthetic Concepts (In collaboration with Dr. Tabourian) “
- 16) Lebanon (April 19 2008)
NDA (North Lebanese Dental association)
“Perio-endo relationship: A team approach”
- 17) Jordan (April 2008)
JDA (Jordan Dental Association)
“Periodontal impact on Esthetic Dentistry”
- 18) Damascus, Syria (April 2008)
Health Care Damascus
“Soft tissue management for optimal esthetics”
- 19) Bremen, Germany (October 10, 11-2008)
DGZI International Annual Congress
“Soft tissue management in challenging cases”
- 20) Beirut, Lebanon (October 16,19 2008)
LDA
“Optimal Esthetics for Challenging Cases”
- 21) Bangkok, Thailand (November 28-29 2009)
1st Asian Symposium
- 22) Tehran, Iran (December 6-9 2009)
Tehran University
“Implant Complications in the Esthetic Zone and Management”
- 23) DGZI Kuwait (February 20-21 2009)
Rotana Hotel
“Bone Grafting techniques & Esthetic Implant”

- 24) Tyr, Lebanon (March 10 2009)
Platinum Hotel
“How Periodontal treatment Can Help a Restorative Dentist”
- 25) Damascus, Syria (March 12 2009)
Rif Damascus Association
“How Periodontal treatment Can Help a Restorative Dentist”
- 26) Byblos, Lebanon (March 14 2009)
Association des Dentistes Belge & Association des Dentistes de Jbeil
“Soft Tissue Management in the Esthetic Zone”
- 27) South Africa 2009 (Biohorizons Dealer Meeting)
- 28) Sudan 2009
(German Implant Society)
- 29) Tehran, Iran (February 2010)
Iran Biohorizons Congress
 - a. “Implant Complications”
 - b. “Alloderm: an Update”
 - c. “Implants in the Esthetic Zone: When To Do What?”
- 30) Rif Damascus, Syria (March 12 2010)
“Crown Lengthening in the Esthetic Zone”
- 31) Tyre, Lebanon (March 21 2010)
“Root Coverage or Esthetic Crown Lengthening?”
- 32) Kiev, Ukraine (February 2010) (Biohorizons Distributor)
- 33) Tripoli, Lebanon (May 8 2010)
“How to avoid failures in the esthetic zone”
- 34) Krakow, Poland (May 21 2010)
full day lecture: Hard and Soft tissue Management
- 35) Istanbul, Turkey (September 22 2010)
Yedetepe University
“Soft Tissue management using Lazer-Lok Technology”
- 36) Antalya, Turkey (September 25 2010)
Biohorizons International Symposium
“Technique for gingival and papilla regeneration using Alloderm”
- 37) Amman, Jordan (October 20-22 2010)
Jordan Dental Association
“Tissue Engineering”

- 38) Belgrade, Serbia (November 26-27 2010)
7th Symposium of Oral Surgeons & Oral Implantologists of Serbia
“Periodontal Plastic Surgery in Implant Therapy”
- 39) Ajman, UAE (December 15-16 2010)
The Dental Society, Emirates Medical Association in collaboration with the College of Dentistry,
Ajman University of Science and Technology
“Treatment of Recession Using Alloderm”
- 40) Jeddah, Saudi Arabia (February 23-24 2011)
Dental Implant Symposium (www.DIS2011.com)
- 41) Hanoi & Ho chi minh city –Vietnam (March , April and June 2011)
Three modules of 5 days course each “All You Need On Implants”
- 42) Damascus, Syria (March 16 2011)
Rif Damascus Meeting
“Esthetic Crown Lengthening and Hollywood Smile”
- 43) Lazkia, Syria (March 24 2011)
Lazkia dental meeting
- 44) Damascus, Syria (March 27-28 2011)
Syrian Surgeon Society
2-day course on soft tissue grafting techniques
- 45) Krakow, Poland (April 1-2 2011)
Poland Surgeon Society
2 Days course on Implants and soft tissue management
- 46) Erbil, Iraq (April 14 2011)
First Dental meeting
“Esthetic implants”
- 47) Kiev, Ukraine (May 21, 2011)
Ukranian Oral Surgeon Association
- 48) Istanbul, Turkey (May 27-29 2011)
Turkish dental association
- 49) Beirut, Lebanon (June 1 2011)
Lebanese University Congress
“Guided tissue regeneration: treatment modalities”

- 50) Paris, France (June 30 2011)
Hotel le Meridien
“A journey on esthetic implants”
- 51) Macau, China (September 23-25, 2011)
Asian Symposium Meeting
“Fundamental of esthetics and soft tissue grafting techniques”
- 52) Belgrade Serbia (September 30 2011)
University of Belgrade
- 53) Dubrovnik, Croatia (October 1 2011)
European Esthetic Society
“Treatment of recession, from single to multiple”
- 54) Beirut, Lebanon (December 14, 2012)
Lebanese Periodontal Society
“Periimplantitis, where do we stand?”
- 55) Beirut, Lebanon (March 10 2012)
Ortho UL – Rafic Hariri campus
“Gummy Smile: the multidisciplinary approach”
- 56) Beirut, Lebanon (Jan 26 2012)
“Listerine: The importance of oral plastic surgery in implant dentistry “
- 57) Istanbul, Turkey (January 12,-13, 2012)
Turkish Society of Oral Implantology
“The Importance of Periodontal Plastic Surgery in Implant Therapy”
- 58) Rome, Italy (January 14, 2012)
IV International Implant Conference
“Fundamentals of Esthetics with Dental Implants and Soft Tissue Grafting”
- 59) Paris, France (January 12-13, 2012)
UMCI
“The Importance of Periodontal Plastic Surgery in Implant Therapy”
- 60) Riyadh, Saudi Arabia (February 6-8 2012)
“Oral plastic surgery & Dental Implants”
“Minimally invasive surgery to treat recession in the esthetic zone”
- 61) Belgrade, Serbia (February 17-18 2012)
2 full days with live surgery & workshop on soft tissue grafting techniques

- 62) Amman, Jordan (March 28, 2012)
“An Update on Alloderm use in dental implantology”
- 63) Beirut, Lebanon (April 21-22 2012)
2 day course on soft tissue grafting techniques
- 64) Taipei, Taiwan (May 5-6 2012)
2 day course on:
a. “All you need to know about: Implants in the Esthetic Zone”
b. “All you need to know about: Soft Tissue Grafting Techniques”
- 65) Erbil, Iraq (May 19-20 2012)
Royal British college
Full day on Esthetic Implants
- 66) Monastir, Tunisia (June 16-17, 2012)
Association Tunisienne Odontologique de Recherches et d’Etudes en Chirurgie et Douleur
“Implant complications in the esthetic zone”
- 67) London, England (August 31- September 1, 2012)
IAAFA meeting
- 68) Goa, India (September 15-16 2012)
ICOIDR meeting
2 days course in conjunction with Dr. Georges Romanos
- 69) Beirut, Lebanon (September 21 2012)
LDA Annual Meeting
- 70) Odessa, Ukraine (October 5-6 2012)
Implant Society
2day course on “Implant Complications in the Esthetic Zone” – “Soft Tissue Grafting Techniques”
- 71) Moscow, Russia (December 9 2012)
Moscow Implant Symposium
“Implant Complications in the Esthetic Zone”
- 72) Istanbul, Turkey (December 14 2012)
IDED meeting
“Esthetic Implant & Oral Plastic Surgery”

- 73) Istanbul, Turkey (January 11 2013)
TOID 24th
“Implant Complications in the Esthetic Zone”
- 74) Paris & Dijon, France (January 22-23 2013)
Paris VII University & Dijon University
a. “Implant Complications in the Esthetic Zone”
b. “Esthetic Implants & Oral Plastic Surgery”
- 75) Dubai, UAE (April 4-6 2013)
Dubai Implantarium
“Do We Need 2mm of Buccal Bone to get Ideal Esthetics?”
- 76) Dead Sea, Jordan (April 9 2013)
Jhonsson & Jhonsson Cycle meeting
“How to Resurrect an Inesthetic Integrated Implant”
- 77) Miami, USA (April 25-27, 2013)
Biohorizons global Symposium
“Esthetic Implant Failure: Management & Limitations”
- 78) Hadath, Lebanon (May 8 2013)
UL Meeting
“Periimplantitis: What Do We Know”
- 79) Hadath, Lebanon (May 10 2013)
UL Meeting
“Esthetic Implant Failure: Management & Limitation”
- 80) Hanoi & Ho chi min city (May 30 & 31 2013)
Hanoi Dental association & Ho chi min implant society
a. “Do We Need 2mm of Buccal Bone to get Ideal Esthetics?”
b. “Minimally Invasive Surgery to Treat Recessions in the Esthetic Zone”
- 81) Erbil, Iraq (June 27-29 2013)
BAIRD- British Academy
“Perioral Facial Esthetics”
- 82) Mumbai, India (September 5-7 2013)
Asian Pacific Implant Symposium
a. “Esthetic Implant Failure: What Can We Do?”
b. “Do We Need 2mm of Buccal Bone to Get Ideal Esthetics?”
- 83) Vilnius, Lithuania (September 19-21 2013)
a. “All You Need To Know About Esthetic Implants”
b. “Esthetic Implant Failures: What Can We Do?”

- 84) Hadath, Lebanon (September 24-26 2013)
LDA annual meeting 2013
“Buccal Implant Recession: What Can We Do?”
- 85) Hamammat, Tunisia (September 27-29 2013)
Sename 2013
“Esthetic Implant Failure: What Can We Do?”
- 86) Riyadh, Saudi Arabia (October 6&7 2013)
Military Hospital
2 day course on soft tissue grafting techniques: “Minimally Invasive Surgery to Treat Recession in the Esthetic Zone”
- 87) Perth, Australia (October 23-27 2013)
AOS, Australian Osseointegration Society
a. “How to Resurrect an Inesthetically integrated implant”
b. “Optimizing Implant Esthetics with Soft Tissue Augmentation”
c. “Minimally Invasive Surgery to Treat Recessions in the Esthetic Zone”
- 88) Tehran, Iran (October 31- November 1 2013)
Iran Periodontal Society
“Minimally Invasive Surgery to Treat Recessions in the Esthetic Zone”
“Esthetic Crown Lengthening in 20/20: When To Do What?”
- 89) Beirut, Lebanon (December 19 2013)
Listerine Study Club Series
“Esthetic Implant Failure: Etiology and Management”
- 90) Beirut, Lebanon (December 21 2013)
LDA
“All You Need To Know About Esthetic Implants”
- 91) Amman, Jordan (April 22-23 2014)
Jordan Prosthodontics Society
- 92) Sharam el Cheikh, Egypt (April 24-26 2014)
2 days with Drs. Alvaro Ordonez & Bassam Rabie
“Perioral Facial Esthetics”
- 93) Dubai, UEA April (May7-9 2014)
Biohorizons International Symposium Meeting, Jumaira Beach Hotel
“Techniques & Pain Management for Treatment of Full Mouth Recession”
- 94) Erbil Iraq (May 26-28 2014)
Iraq Healthcare Meeting
- 95) New Delhi, India (September 11-14 2014)
FDI, annual world dental congress
“Buccal Recession around Esthetic Implants: Management & Prevention”

- 96) Cairo, Egypt (October 17-18 2014)
Presidential [continuing education courses]
- 97) Casablanca, Morocco (November 14-16 2014)
12th meeting of Dental Express
“All You Need To Know About Esthetic Implants”
- 98) Istanbul, Turkey (February 14 2015)
Implantist Expo 2015
“Is it Possible to Treat Buccal Recession around Esthetic Implants?”
- 99) Meetings in Beirut for local dental associations:
February 7, 2015 / April 11, 2015 / May 30, 2015
- 100) Cairo, Egypt (October 15 2015)
Leagues of Elites, British University
“Gummy smile in 2015: the Combo treatment”
- 101) Tehran, Iran (October 7-9 2015)
Iranian Periodontal Society
“All You Need to Know about Alloderm: From Failure to Success...”
- 102) Vilnius, Lithuania (November 13-15 2015)
Quintessence Meeting
“Gummy smile in 2015: the Combo treatment”
- 103) Amman, Jordan (December 4-5 2015)
Jordanian Prosthodontic Society
“Impact of facial aesthetics on dental & implant therapy”
- 104) Moscow, Russia (July 31 - August 1 2015)
Russian Implant Society
“Complications in implant dentistry: From esthetic failure to perimplantitis”
- 105) Hanoi & Hochi minh City, Vietnam (August 19-20 2015)
Vietnam Dental Society
“Is it possible to treat buccal recession after implant placement in the esthetic zone?”
- 106) Istanbul, Turkey (February 12-13 2016)
2 days course
“All You Need to Know about Implants in the Esthetic Zone”
- 107) Casablanca, Morocco (March 4-5 2016)
Moroccan Implant Society
“Bone graft around IIP: when to do what?”
- 108) Amman, Jordan (May 4-5 2016)
Garden Hospital
“Perioral Facial Esthetics”

- 109) Tehran, Iran (May 17-20 2016)
FDI meeting
“Complications in implant dentistry: From esthetic failure to perimplantitis”
- 110) Famagusta, Cyprus (June 4-5 2016)
Artemis Kaya Hotel
2 day course on “Esthetic Implant Complications”
- 111) Kiev, Ukraine (September 17-18 2016)
2 day course
“Complications in implant dentistry: From esthetic failure to perimplantitis”
- 112) Nagapur, India (October 20-22 2016)
Indian Periodontal Society
“Bone graft around IIP: when to do what?”
- 113) Istanbul, Turkey (October 29-30 2016)
Greatest Dental Meeting
“Bone graft around IIP: when to do what?”
- 114) Dubai, UAE (February 7-9 2017)
Al charga University / module 5 for Implant course
Soft & Hard tissue grafting techniques to fix esthetic failures?
- 115) Dubai, UEA (May 15 2017)
Biohorizons Dealer meeting
Is it possible to treat & manage Esthetic Implant failure??
- 116) Tunis, Tunisia (May 17 2017)
Tunisian Implant society
Is it possible to treat & manage Esthetic Implant failure??
- 117) Kharkov, Ukraine (June 8-10 2017)
Dental Days meeting, 2 lectures
Influence of facial aesthetics on dental treatment
The 8 steps for an aesthetic implant
- To be given in the next 3 months

List of conferences & Meeting nationally + internationally 2017
