ADA C.E.R.P.® | Continuing Education
Recognition Program

Tamimi Academy is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Tamimi Academy designates this activity for 12 hours of continuing education credits.

The continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint effort between Tamimi Academy and Future Health Training Center
