Nicola De Angelis

## CURRICULUM VITAE

- Born in Genoa October 28, 1974
- Scientific maturity at the High School State Guido Parodi of Acqui Terme (AL)
- Member of the Faculty of Medicine of the University of Genoa nell'anno 1993.
- Graduated in Genoa 28 July 1998 in Dentistry with 110/110 cum laude with a thesis "local and systemic complications of anesthesia in dentistry"
- Master's Degree in Periodontology at the University of Siena
- Qualified Dentistry in November 1998 by a vote 58/60
- Member of the Provincial Association of Doctors and Dentists of the Province of Alessandria from 12 January 1999.
- Internship from 1998 to 2005 in the Department of Maxillo Facial Hospital San Martino, with specific expertise in oral surgery.
- Lecturer from 1999 to 2009 in Periodontology at the Training Course for Dental Assistants dell'ANDI of Genoa.
- Collaborator in teaching at the Master's Degree at the University of Siena.
- Winner of the ITI Research Competition 2009
- Selection Award H. Goldman session of the Italian Society of Periodontology Clinical Research in 2009.
- Research Competition Winner of the European Association of Osseointegration with the work: IMPLANTS IN PATIENTS PERIODONTALLY COMPROMIZED. 2,009:
  - Member of the Italian Society of Periodontology
  - Active Member of the European Association of Osteointegration
  - International member of the American Academy of Periodontology
  - Member of the International Team for Implantology
  - Member of the Rotary Club of Acqui Terme, multiple times awarded Paul Harris
    - International Associate Editor of Journal of Periodontal Medicine and Clinical Practice.
    - International Member of Biotechnology and Technological Equipment Journal
    - Reviewer International Journal of Periodontic and Restorative Dentistry
    - Scientific Coordinator of Master of Science in Aesthetic and Restorative Dentistry Genoa University

- Scientific Coordinator of Master of Science in Implantology and Prosthodontics Genoa University

○

Nicola De Angelis

#### ACTIVITIES 'EDUCATIONAL, SCIENTIFIC AND RESEARCH

- Lecturer from 1999 to 2009 in Periodontology at the Training Course for Dental Assistants dell'ANDI of Genoa.

○

- Assistant Professor at the University of Genoa Degree in Dentistry.
- Adjunct Professor at University of Technology MARA Kuala Lumpur Malaysia
- Lecturer, Master Laser at the University of Genoa.
- International Associate Editor of Journal of Periodontal Medicine and Clinical Practice.
- Member of Clinical Innovation Committee of Academy of Osseointegration
- Member of Educational Committee of Academy of Osseointegration
- Chairman of Subcommittee of Website Education of the Academy of Osseointegration and e-Poster

#### WORK EXPERIENCE AND PROFESSIONAL COMPETENCE

- Owner of STUDIO DE ANGELIS – THE EXCELLENCE OF DENTISTRY since 1998
- Consultant specialist in Periodontology and Implantology to STUDIO DR. FAVERO CASALE since 2001
- Consultant specialist in Periodontology and Implantology to STUDIO DR. GIAROLI DARIO AND ENRICO CASALE since 2002
- Consultant specialist in Periodontology and Implantology to STUDIO DR. DI NATALE TORINO since 2007
- Consultant specialist in Periodontology and Implantology to STUDIO DR. EFORO ACQUI TERME

STUDIO DE ANGELIS – THE EXCELLENCE OF DENTISTRY is an established dental clinic and sub branches located in Acqui Terme (AL). We have 4 DENTISTS, 2 DENTAL HYGIENISTS, 6 DENTAL ASSISTANTS, 2 CUSODIANS and 2 DENTAL TECHNICIAN. We provide a full dental service as the clinic is the most well knowed center in North West Italy, every month we treat about 300 patients only in the main branch.

## Participation in Conferences and Courses 2004 to 2019

1. October 2004 - Speaker at the Congress ANDI Cuneo "Using the Extension Crest device in correcting atrophy bones horizontal" 40 minutes
2. May 2005 - Speaker at the Congress ANDI Pavia "The bone atrophy" 1 hour
3. June 2005 - Speaker at the National Congress of the Italian Society of Maxillofacial Chirurgia in Parma "The infiltration of hyaluronic acid in trauma condylar" 20 minutes
4. June 2005 - Speaker at the International Congress of ITI of Monaco "Immediate implants: prospective to the future?" 20 minutes
5. April 2006 - Realtore Congress ANDI Savona "Implant prosthetic Wizard" 1 hour
6. March 2007 - Speaker at the Course "sinus lift" one day live surgery Turin
7. May 2007 - Speaker at the Course "The expansions in bone implantology" one day live surgery Turin
8. October 2007 - Speaker at Refresher Course of the Italian Society of Periodontology Naples "The post-extraction implants" 30 minutes
9. November 2007 - Speaker at the course "Aspects prosthetic Periodontology" 2 hours Turin
10. December 2007 - Speaker at the course ANDI Asti-Alessandria "Considerations on chirurgiche and prosthetic implant failures" 1 hour
11. March to May-October 2008 Annual Course of Periodontology 3 days theoretical and practical Turin
12. April 2008 - Speaker at the Congress of Dental Liguria Genoa "Periodontology: aesthetics or function?" 1 hour
13. May 2008 - Speaker at ITI Course Torino "combined approach padoantologia and implantology" 1 hour
14. June 2008 - Speaker at the Course of Implantology "post-extraction plants: evidence and clinical evidence" 2 hours Turin
15. June 2008 - Lecturer at the Regional Course for Dental Assistants Torino 1 day
16. September 2008 - Speaker at the International Congress of the American Academy of Periodontology "Teeth-implants: periodontists can save teeth?" 30 minutes
17. November 2008 - Speaker at the Congress ANDI Rome "The timing of implant placement" 45 minutes
18. November 2008 - Speaker at the Congress ANDI Alexandria "implants in clinical practice" 1 hour
19. February 2009 - Speaker at the National Congress of ITI "Scientific evidence on post-extraction implants" Milano 20 minutes
20. September 2009 - Speaker at the International Congress of Verona "The use of biomaterials in bone regeneration" 30 minutes
21. October 2009 - Speaker at the course AIO Catania "The optimization of the implant site" 1 day
22. October 2009 - Speaker at the French Society of Periodontology "Impants in periodontal therapy" course of one day
23. October 2009 - Speaker at the Congress ANDI Biella "implants in periodontally compromised patients" 30 minutes
24. November 2009 - Speaker at the Congress' Memorial Sergio Duillo "" Plants in the periodontal patient: certainties and prospects "30 minutes.
25. November 2009 - Speaker at the Congress ANDI Alexandria "biological complications in

implant dentistry" 1 day

26. March 2010 - Speaker National Congress Abano Terme "GBR with biomaterials" 25 minutes.

27. April 2010 - Course Tutor AIO Mantova "Periodontology and Implantology" - 1 day

28. September 2010 - Speaker at the International Congress of Implant therapy of Verona "Management of the aesthetic from the installation to the maintenance and post-extraction bone volume" 30 minutes

29. September 2010 - Moderator at the International Congress of Implant therapy of Verona "monothematic Course on bone regeneration."

30. October 2010 - Speaker at the Last Supper Odontostomatologico Torinese "Bone regeneration with growth factors" 1 day

31. October 2010 - Speaker at the French Society of Periodontology "Mucogingival surgery" Course 1 day

32. November 2010 - Speaker at the Congress' Memorial Sergio Duillo "" Management of the aesthetic from the installation to the maintenance and post-extraction bone volume "30 minutes

33. November 2010 - Speaker at Refresher Course ANDI Trieste "Prognosis and maintenance of the plants in the periodontal patient" 1 day

34. December 2010 - Realtore the refresher course at the University of Genoa "Techniques of bone regeneration" Theoretical and Practical 1 day

35. January 2011 - Speaker at the Master's Level in Laser Dentistry of? Universities the University of Genoa.

36. February 2011 - Speaker at the National Congress SIO "Managment of the peri-implant hard and soft tissues" Theoretical 25 minutes.

37. March 2011: the annual course of Periodontology, University of Genoa, coordinator and teacher 1st lesson

38. April 2011: Speaker at the Master's Level in Laser Dentistry of? Universities the University of Genoa.

39. May 2011: Speaker at the Master Hygiene, University of Genoa

40. June 2011: Speaker on "News & Perspectives in periodontology," Milan-evening

41. September 2011: Speaker "bone regeneration", 12th Congress of Implantology, Verona

42. November 2011: Speaker "Techniques for bone reconstruction," UNIGE

43. December 2011: Rapporteur "Perspectives in regenerative surgery," Policlinico di Bari

44. March 2012: Speaker "Switch Platform" AO Phoenix AZ

45. May 2012: Moderator "Bone Symposium" San Francisco, CA

46. September 2012: Speaker "Complications in regenerative surgery" 13th Congress of Implantology Verona

47. October 2012: Speaker "Bone Surgery", Bucharest Romania

48. November 2012: Speaker "Bone Surgery" Warsaw Poland

49. December 2012: Rapporteur "Esthetics in implantology" Makati City Philippines

50. December 2012: Rapporteur "Prognosis in periodontal surgery" Roma Congress SIED

51. January 2013. Speaker at the European Symposium of Implantology Madrid

52. June 2013: Speaker at the International Symposium of periodontic and Restorative Dentistry, Boston MA

53. July 2013: speaker at the APAC Sales Meeting 3i Singapore

54. September 2013: International Congress of Laser Dentistry Timisoara ( Romania)

55. International Congress of SENAME Tunis

56. October 2013: speaker at the Sales Meeting 3i San Diego CA

57. November 2013: Lecturer Moscow Congress of Dentistry

58. February 2014: Lecture at trisakti University- Jakarta Indonesia

59. February 2014: Lecture in Singapore

60. March 2014: Partcipation at Perio workshop as KOL Oral B- Frankfurt- Germany

61. March 2014: Lecture at Academy of Osseointegration – Seattle WA

62. June 2014: : Lecture at ISTITUTO ORTOPEDICO GALEAZZI
63. October 2014: Lecture in Biomet Italian Implant Congress
64. October 2014: Lecture in Sofia Dental Meeting
65. November 2014: Lecture in Kuala Lumpur University MARA
66. November 2014: Lecture in Bangkok Biomet South East Asia Conference.
67. November 2014: Lecture at Quintessence Congress Warsaw Poland
68. January 2015: Lecture at 12 Simposio Iberico de Implantologia- Madrid
69. February 2015: Lecture in Sofia- Course of Soft tissue Management
70. May 2015: Lecture at BTK World International Congress
71. Course Director of Fellowship in Laser Periodontology and Implantology, UiTM Kuala Lumpur, Malaysia
72. Course Director of Fellowship in Laser Periodontology and Implantology, University of Ankara, Turkey
73. November 2015: Conference in Taiwan “ Sustainable aesthetic treatment plans”
74. December 2015: Implant conference speaker in Warsaw
75. February 2016: American Institute of Implant Dentistry Washington Dc: Lecturer on suture techniques
76. February 2016: Academy of Osseointegration: Lecture “ Growth Factors for Soft Tissues Augmentations”
77. April 2016: Soft tissues management – Malaysia
- 78- July 2016: Suturing techniques- Washington DC USA
- 79- September 2016: Root coverage procedures – Tel Aviv Israel
- 80- December 2016: Grafting and crown lengthening – Washington Dc USA
- 81- January 2017 : Crown lengthening and aesthetic periodontal surgery – Dubai UAE
- 82- April 2017 : Implants in periodontal patients – Baharain
- 83- May 2017: Fellowship Program in Advanced Periodontology and Implantology Malaysia
- 84- June 2017: Fellowship Program in Advanced Periodontology and Implantology Indonesia
- 85- July 2017: Aesthetic Implantology Congress Baku Azerbaijan
- 87- September 2017: Continuing Education Program in Implantology Tunisia
- 88- September 2017- American Academy of Periodontology Soft tissues expansion around implants Boston USA
- 89- October 2017: Soft tissues management in Implantology Padova Italy
- 90- October 2017: Guided bone regeneration in Implantology Baharain
- 91- November 2017: Guided bone regenerations and complications Continuing Education Program in Implantology Tunisia
- 92- November 2017: the use of new customized Ti mesh Geistlich event private course
- 93- November 2017: Treatment of periodontitis with conventional protocols and laser Poland Warsaw
- 94- November 2017 – Use of laser in periodontology Master Class Program Vicenza Italy
- 95- January 2018 – Implants in periodontal patients TOID Istanbul Turkey
- 96- Opening Lecture at International Course in Advanced Periodontology and Implantology UiTM Kuala Lumpur Malaysia
- 97- June 2018 Lecture at Opera Congress Vicenza Italy
- 98- October 2018 Lecture at CEIA Krakow Congress
- 99- October 2018 Lecture in Tunisia for Implant Fellowship Program
- 100- November 2018: Lecture in Tunisia for Implant Fellowship Program
- 101- January 2019 : Lecture at Saudi Dental Conference
- 102- March 2019: Lecture in Saudi Arabia for Implant Periodontal Fellowship Program
- 103- March 2019: Training course “ Immediate loading protocols” BTK Vicenza
- 104- May 2019: lecture at Monastir University as Visiting Professor
